## Haven Hub Open Day

### **Raising Awareness during domestic violence awareness month**

In October, Domestic Violence Awareness Month hosts a month long plan of activities to bring recognition, and to help put an end to the widespread domestic violence and abuse suffered by women, children and men all over the world. 1 in 4 women will experience domestic violence in her lifetime and an average of 3 women die every day at the hands of a current or former intimate partner.

**At The Haven Wolverhampton, we have a [Haven Hub Open Day](#) to give professionals the opportunity to visit our Hub at our main office on Wednesday 19<sup>th</sup> October between 10am and 3pm and meet the Specialist Service areas and hear about the support we offer to the women we support.**

The Haven provides a range of services to support women and children across Wolverhampton whose lives have been affected by domestic abuse. The Haven Hub provides a range of early intervention and crisis support to Women, Freedom Programme, recovery workshops and specialist drop – in surgeries to ensure lasting change.
